

Create an Inpathy-Branded Email Signature

Want a free and easy way to increase awareness of your virtual practice?

Within your personal email signature, add a link to your Inpathy profile along with the Inpathy logo. This simple addition is a subtle way to market your virtual practice in every email correspondence.

Creating a Signature:

1. Right click and save the picture below

2. Edit your email options
3. Insert the Inpathy logo into your signature
4. Right-click on the picture and "insert hyperlink"
5. Copy and paste the link to your profile
